We've made this Churchill Dining Table even better by cutting some corners. In fact they're all gone. This new round option (available in two sizes) uses the same elegantly crafted base of its rectangular cousin, but trades the length and width for one beautifully cozy circumference.

With custom chairs like these, your taste in style is easily acquired.

The more the merrier. The 60" Churchill Round Table seats up to six. (Also available in the 48" 4-seater)
